

IN SENATE OF THE UNITED STATES.

AUGUST 1, 1848.

Submitted, and ordered to be printed.

Mr. BALDWIN made the following

REPORT :

The Committee of Claims, to whom was referred the memorial of Littleton D. Teacle, praying a settlement of his accounts for materials furnished for the public buildings in the city of Washington in the year 1805, having had the same under consideration, report :

That the claim of the memorialist was twice reported upon adversely by the Committee of Claims, at the second session of the twenty-seventh Congress, (see Senate documents numbered 139 and 293 of that session,) after a full consideration of the evidence adduced by the memorialist in its support. Concurring in the views of that committee on the evidence before them, the committee are of opinion that the additional evidence now furnished by the memorialist is not sufficient to justify a different report. They, therefore, ask to be discharged from the further consideration of the memorial.
